Thank you Sonja. The [REDACTED] trial is now scheduled for 6/5. I will make sure a summons gets out. As far as [REDACTED] will also be trying to move that case from 4/18. I will let you know of the new date.

Thank you again. Hope you have a great weekend.

Thank you for the heads up. I will move the [REDACTED] case and will probably also move the [REDACTED] case. If you don't mind, could you e-mail me days you are unavailable for March, April and May. I'll let you know of the new date much sooner than last time.

Thank you.

Hi Joe-

Thanks for letting me know about the [REDACTED] - I was a little worried when Laila informed me about the date of his other court case (I thought that the defense attorney said it probably wouldn't be a trial). And now the bad news. I am not available 3/19/12 as I will be at a DEA training seminar in Dulles, VA from 3/18/12 through 3/23/12. As for 4/18/12, I do have a district case also scheduled in Springfield that day, and at this point I do not know what the likelihood of that case going forward. I can try to find out more about it, but I doubt the ADA will know at this point in time. Sorry.

Sonja,

First I want to say great job the other week on the [REDACTED] case. Now the bad news. In reviewing an upcoming trial [REDACTED] I am not sure if you were properly summonsed for the case. It is No. [REDACTED] The trial is on for 3/19/12 in Pittsfield. Any chance you are available that day? And why I am breaking bad news, the co-defendant is scheduled for trial on 4/18 ([REDACTED], same analysis). How does your schedule look that day?

Thanks.

Joe
